Letter No AS 1512/43-44 dt 17.2.44 from the DC Nandya District requesting sanction to the Contribution of Rs 4,000/- by the Nandya Dist. Bd. towards the Construction of the 6th block of the General Hospital, Nandya

1) The Nandya Dist. Bd. has resolved to Contribute a sum of Rs 4,000/- from out of its closing balance towards the Construction of the 6th block of the General Hospital, Nandya.

2) The necessity of a 6th block seem to be beyond doubt, since both the District Medical Officer & the Board of Visitors press for the same

3) But the financial position of the Nandya Dist. Bd. is far from being satisfactory, as is evidenced from the following figures

Receipts - Rs 1,03,037/-
Expenditure Rs 1,10,487/-
Closing balance Rs 9,904/-

The closing balance falls short of the Statutory minimum, the normal expenditure being also in excess of the normal income of the Bd.

4) The proposal of the DC is not to be encouraged

5) An expense of Rs 4000/- might be incurred out of the closing balance of the Nandya Dist. Bd, as resolved by them, towards the estimated cost of

construction of a ward to the
General Hospital at Ramagama.

From the D.C. Hambantota
No A 5 1512/43 of 9/8/44
I have the information called for
14) The D.C. reports that it is
true that the cost towards the construction
of a ward to the General Hospital has
to be met out of the P.W.D. funds.
and that the Board have proposed to
contribute a sum of Rs 4000/- in
order to supplement the grant in
this behalf. It is stated that an
equal grant from out of the funds
of the Dt Board has also been sanctioned
by the govt towards this purpose. The estimate
for the work is said to be Rs 20,000/-
15) Subject for perusal and orders
with reference to para 7 supra.
Rs 30/-
(In this connection it may be stated
that the [illegible] budget estimates of the
Dist Board has not yet been sanctioned
to defray the financial portion)
16) Pl enquire the D.S. if there are
any estimates prepared for the work
of Rs. & in what stage they are
Rs 3028/-
of the latter perhaps accompanied
by a [illegible] 18) Submitted
1/9.
19) The letter to the Senior Surgeon
was not issued, in view of the report
from the Senior Surgeon that any

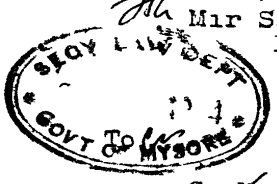
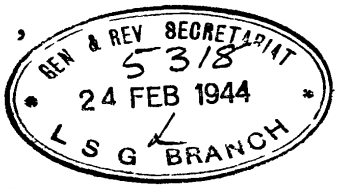
Office of the Deputy Commissioner,
Mandya District,
Mandya, Dated, 17th February, 1944

From

Mir Safder Hussain, Esq , B A ,
Deputy Commissioner,
Mandya District,
Mandya





To

C. Narayanaswamy Naidu, Esq , B A , B L ,
Secretary to Government,
Law Department,
Bangalore

Sir,

Subject --Construction of 6th Ward of the General Hospital, Mandya

I have the honour to state that on the requisition of the District Medical Officer, Mandya, for a generous contribution from the Municipal Council towards the construction of the 6th Ward, the Municipal Council, Mandya, resolved at their meeting held on 30 12 43, to contribute a sum of Rs 4,000/- out of their funds and to meet the expenditure out of the closing balance

The President requests that sanction of Government may kindly be obtained to the proposal of the Municipal Council

It is seen from the District Medical Officer's letter No T 199, dated 20-9-43 (Copy enclosed) that there is urgent need for the construction of the 6th Ward as the present accommadation is getting insufficient on account of the growing number of patients that have had to be admitted to the hospital The Board of Visitors have also agreed that there is great necessity for the construction of the ward

P T O

In view of the above, I request you kindly to obtain sanction of Government to the proposal of the Municipal Council and to meet the expenditure out of the closing balance

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya

Copy of letter No T 199/Two, dated 20th September, 1943, from the District Medical Officer,- Mandya District, Mandya, to the President, Town - Municipal Council, Mandya

---

I have the honour to state that at present the General Hospital, Mandya, comprises of 5 Wards totalling 60 beds For completion of this unit of the General Hospital, one more ward ie the - 6th ward has got be built

In spite of the total impatient strength of 60, we have a rush of patients for admission and on an average 75 to 80 patients are on the daily inpatient roll That means we are taking 15 to 20 more than we can It is thus evident that the 6th ward has got to be completed

The Board of Visitors' of the General Hospital consists of 7 members of which 4 fortunately are members of the Town Municipal Council of Mandya They - have realised out difficulty and all of them have - agreed that there is a great necessity for the completion of the 6th ward. In the proceedings of the Board visitors held on 30-7-1943, it was resolved by these members follows -

"In view of the increasing number of patients seeking admission to the hospital, it is indispensable and necessary to construct an additional ward (6th - ward) Hence the District Medical Officer is requested to approach the various Local Bodies, the Sugar Company and Public spirited gentlemen in the District and request to donate liberally towards the construction of the same "

Hence I request you to be kind enough to request the Municipal Council to contribute its might This block is likely to cost about Rs 20,000/- and I need hardly tell you that 60 to 70 patients in the wards are from the Mandya Municipal Town, as such it

P T O

as such it deserves the highest encouragement on your part

I request yourto irclude this in the Agents of the next Municipal meeting and do your best to get a murificent donation

No AS 1512/43-44

Office of the Deputy Commissioner,
Mandya District,
Dated Mandya the 9th August '44

From

Mir Safdar Hussain, Esq , B A ,
Deputy Commissioner, Mandya.

To

C Narayanaswamy Naidu, Esq , B A , B.L.,
Legal Remembrancer & Secretary to Government,
Law Department, Bangalore

Sir,

Subject Contribution out of Mandya Town Municipal Funds for the construction of a 6th ward for the General Hospital at Mandya

@@@

With reference to your letter No L 9503/M1 dated 11-3-44 enquiring whether the construction of the extension of the District Hospital building is not to be undertaken out of the grants of the Department of Public Works and whether there is any estimate prepared for the work, I have the honor to state that on the requisition of the District Medical Officer, Mandya for a generous contribution from the Municipal Council towards the above work, the Municipal Council resolved to contribute Rs 4000/- out of their funds to the above work

As regards the first point viz whether the extension of the District Hospital building to be undertaken out of the grants of P W D , I wish to state that it is true that the cost is to be met out of Departmental funds The -- contribution of the Municipal Council is only to supplement ~~to~~ the Government grant In this connection, the District Board, Mandya, had also resolved to contribute Rs 4000/- towards the construction of the 6th ward and the Government have been pleased to approve of the proposal of the District Board

P T O

The District Medical Officer reports that the major number of inpatients that are admitted to the hospital is from Mandya Town and that the present accommodation is only for 60 beds and that it is very difficult to accommodate the patients He has requested that the proposal of the Mandya Municipal Council to contribute Rs 4000/- may be approved I agree with his opinion and recommend that the proposal of the Municipal Council may be approved

The District Medical Officer reports that the estimat cost of the proposed ward is about Rs 20,000/-

In the circumstances, I request you kindly to obtain sanction of Government to the proposal of the Municipal Council and to meet the expenditure out of the closing balance

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya District
